Kuen Cheng High School has graciously named the 2 storey building library the Azman Hashim Duplex Library in honour of his generosity and continuous support to the school. Azman Hashim Duplex Library will have a build-up area of approximately 30,000 sqft and features reading cubicles, group discussion room, new books, special lightings and an exhibition corner. Excavation works are currently being carried out for the underground carpark which is expected to complete by December 2017.
