Yayasan Azman Hashim aids performers with disabilities affected by lockdown

PETALING JAYA: Yayasan Azman Hashim (YAH) in its effort to provide targeted assistance to those impacted by the COVID-19 pandemic has provided RM27,000 monetary aid to several performers and bands with disabilities affected by the lockdown.

Tan Sri Azman Hashim via its privately held company Amcorp Group Berhad has always been supportive on the inclusion and empowerment of persons with disabilities. Amcorp has in its past, engaged various performers with disabilities to perform at its corporate events. These performers however, are currently facing hardship as they are unable to earn any income during the lockdown period as events and busking is not permitted.

Among these performers are Alfred Ho, Godfrey Ooi, Caliph Buskers and Nurul Shakina Teh who are visually impaired, the Deafbeat Drummers, who are hearing impaired and the Beautiful Gate Foundation who are in need of financial assistance.

Tan Sri Azman Hashim hopes the monetary assistance will provide some vital support, especially in these unprecedentedly and uncertain times.

YAH is a non-profit charitable organization founded by philanthropist entrepreneur Tan Sri Azman Hashim with an ultimate goal to give back to the society and alleviate human suffering. Last month, YAH made a donation of food and essential items to 100 families affected by floods in Raub, 200 Orang Asli families in Bentong and 100 families in Gemas who have been hit hard by the effects of the Covid 19 pandemic.
