KUALA LUMPUR: RCE Capital Berhad (“RCE”) welcomes the Year of Rabbit with a visit to Yayasan Sunbeams Home to spread joy, love and hope, along with a contribution of three Chinese New Year hampers. These hampers were given by one of our Business Partners, Yayasan Ihsan Rakyat to 3 key senior management personnel of RCE.

Yayasan Sunbeams Home is a self-sustaining and non-governmental foundation in Kuala Lumpur that provides shelter and care for 89 underprivileged children from abused, neglected, broken families and etc.

RCE upholds its commitment of giving back to the community through various corporate social responsibility programmes and Yayasan Azman Hashim initiatives. Lately, RCE has donated medical equipment worth RM78,000 to Hospital Kuala Lumpur to support and alleviate the burden of our healthcare system on the provision of dialysis treatment.
