Contribution to Rumah Sejahtera Orang Tua

KUALA LUMPUR: Yayasan Azman Hashim (“YAH”), a charitable organisation founded by Tan Sri Azman Hashim, donated essential food supplies to four old folks homes in Bentong and Raub, Pahang in celebration of the Chinese New Year.

The recipients are Rumah Sejahtera Orang Tua Bentong (24 residents), Rumah Sejahtera Orang Tua Sg Lui (4 residents), Rumah Sejahtera Orang Tua Sg Ruan (12 residents) and Rumah Sejahtera Orang Tua Sempalit Raub (8 residents).

The organisation, in its commitment to supporting the elderly community, recognised the importance of providing basic necessities to those in need during this festive season. The food supplies, consisting of staple items such as rice, cooking oil, and canned goods were distributed to the homes in Bentong and Raub, bringing joy and happiness to the elderly residents during this special time of year.

The supplies were distributed by the staff of Amcorp Perting 6MW Mini Hydro Power Plant and Amcorp Liang 2x10MW Mini Hydro Power Plant in Pahang. “YAH is proud to continue its tradition of giving back to the community during the Chinese New Year,” said Tan Sri Azman Hashim. “We understand that many of the elderly in our community are in need of assistance and it is our duty to support them in any way we can. This small act of kindness is just one of the ways we hope to bring a smile to their faces during this special time of year.”

The homes received the supplies with gratitude, expressing their appreciation for the donation and the thoughtfulness of YAH in providing for those in need.

“We are truly grateful for this donation from YAH,” said an elderly resident of one of the homes. “It means a lot to the residents and brings a lot of happiness and comfort to us during this festive season.”

YAH is dedicated to improving the lives of those in need and will continue to support the elderly community through various initiatives and programs.
