Rumah Victory is a non-profit charitable organisation. Currently, it operates a Drug Rehabilitation Centre, a Children & Youth Home, and an Elderly Home.

Since its establishment in 1988, Rumah Victory has assisted over 300 elderly individuals. Currently, it provides care for 57 elderly residents, treating them as cherished family members. However, due to space limitations, they are unable to accommodate more seniors. The planned expansion aims to provide shelter to additional vulnerable elderly individuals.
